

Morning Drop-Off Do's and Don'ts

We know how it goes, you're trying to get your kids out the door & to school on time, and then you catch the red light with only 1 minute to spare before the school bell rings. You end up in the drop-off line, and your morning is off to a crazy start.

Never fear!

Follow these tips for keeping our drop-off line running smoothly and safely for you and your kids:

DO pull right up to the Valet on LeMoyne through the orange cones; the playground driveway can accommodate 2 cars at a time

DON'T linger after your child has safely exited the car

DO wait patiently in the Valet drop-off line

DON'T double park or exit your car on the north side of LeMoyne (i.e., in the drop-off lane)

DO park in the church lots if you walk your child(ren) to the playground

DON'T drop your children off in the driveway on Jackson Avenue (by the rectory)

DO say goodbye & gather backpacks before you reach the Valet

DON'T block the SVF driveway on LeMoyne or private residential driveways

DO thank your Valet for their service

DON'T worry; we will get your children out of the car safely!

DO pull up forward after you drop your child off to close your automatic door as a convenience to the car behind you.
